

Ninth Annual

Wild Horse Workshop '06

October 18 - 22 Stagecoach, Nevada

Presented by Least Resistance Training Concepts

In cooperation with the Bureau of Land Management

Veteran Wild Horse Clinicians will provide "hands on instruction" in:

Wild Horse gentling

Wild Horse and Burro behavior

Basic Wild Horse and Burro training

Wild Horse on the lead line

Preparing for saddle

Spook Proofing & Bomb Proofing basics

Problem Solving

I need a home

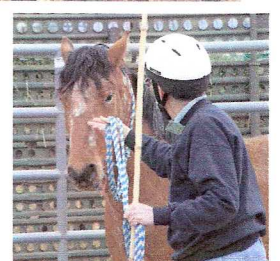

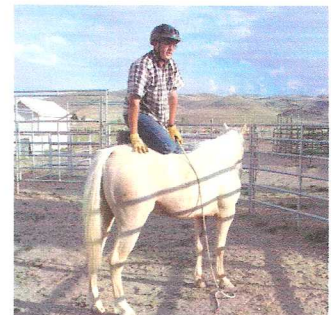

Some of the techniques taught include: bamboo pole, sliding neck loop, proper flag use, proper round penning, clicker training & focus training.

Adoption

Horses and burros will be available for adoption at noon Saturday, October 21

Animals can be previewed all morning

Adopters must meet minimum requirements

Come see, learn about and work with these legendary icons of the American West.
